# 2021

# A YEAR OF CHANGE

---

*A Special Message from our Executive Director*

Last year was a year of change for the MHP Foundation and MHP, and we're heading into some exciting new areas. The Foundation even changed its by-laws to be able to support MHP's community initiatives!

While the Foundation will continue supporting MHP and our patients in the areas of capital purchases, patient support, and health education, at the end of 2021, we began fundraising for MHP's efforts in social determinants of health (SDOH).

According to the Kaiser Foundation, SDOH are conditions in the environment where people are born, live, learn, work, play, worship, and age. MHP has chosen to work in the SDOH of early childhood education, behavioral health, transportation, and obesity. SDOH have an even greater impact on individual health than clinical care, about an eighty percent to twenty percent ratio. In other words, the things that happen outside of the walls at MHP have a greater effect on a person's health than the things that happen inside! It just makes sense for us to work in these areas.

These changes are being driven in part by changes in healthcare reimbursement, but they're also simply a good idea. The opportunity for health happens way before a person needs medical care, and it's the goal of MHP and the MHP Foundation to help everyone have the opportunity to make healthy choices regardless of their income, education, or ethnic background.

Our donors and supporters were so great to us during 2021, and we appeal to them to continue their support of our efforts going forward. Your help enables us to do great things for our community, and we are so grateful! Thank you!

A handwritten signature in black ink, appearing to read "Angela Hill", is positioned at the bottom left of the page.

# DEAR SUPPORTERS:

---

It has truly been an honor serving as the Board President of the MHP Foundation Board of Directors again this year. "New normal" became the phrase of 2021, but volunteer leadership within the MHP Foundation took that concept to an impactful level.

The need for quality health care has reached unexpected heights in Shelby County - even beyond the effects of the pandemic. MHP and the MHP Foundation began to redefine what quality means to our patients by expanding our missions in 2021 to include social determinants of health. Patient care goes beyond treating a chronic illness; preventing it in the first place will be the "new normal" at MHP in the very near future.

Fundraising for these new initiatives began early last year, and your participation and charitable contributions to the MHP Foundation funded strong starts in these new programs. The support received at all levels is deeply appreciated and incredibly humbling.

On behalf of MHP and the MHP Foundation, please accept our sincere gratitude for making 2021 a successful year once again.

# MAJOR ANGELS

Each and every day, hundreds of patients utilize MHP for healthcare. Many times, a MHP employee stands out for showing benevolence, compassion, kindness, generosity, and/or professionalism.

The MHP Foundation offers patients a special way to recognize these employees and show them that their extra effort does not go unnoticed - the Major Angel program.

Around 21 days after a patient receives services at MHP, the MHP Foundation sends a personalized letter to these patients explaining the details of the Major Angel Program and how they can recognize the excellent work of MHP staff members.

Once a Major Angel contribution is received, the honoree will receive a personal letter with a special message from the donor and a lapel pin that can be filled with a new halo each time a patient recognizes the outstanding care that employee provides.

Nothing means more to our employees than knowing their care made "*the Major Difference*" for a patient.

# MAJOR LEGACY SOCIETY

The Major Legacy Society was created to recognize those who have included the MHP Foundation in their estate plans. This includes a bequest in a will, a gift annuity, a charitable remainder trust, a life insurance policy, or a retirement plan beneficiary designation.

When William S. Major chose to make the planned gift of his home to our community for use as a hospital, he helped to ensure a bright future for our community. Like Mr. Major, Major Legacy Society Members leave a legacy that will help Major Health Partners continue to provide world-class health services close to home.
