# EVERYDAY HEROES

Everyday Heroes agree to set up online fundraising pages and raise money through social media and email.

Our Everyday Heroes are Herb Thompson, Debbie Mathies, Sharon Hammond, Mary Jo Custer, Tina Hobbs, Holly Scott, Elaina Tindall, Rob Zimny, Corbin Lewis, Cheyanna Smith, Melinda Linville, Vickie Horner, and Amy Larrison. These awesome heroes raised \$2,050 through the Everyday Hero Program to fund the Baby & Me Tobacco Free program offered by the MHP Maternity Department

## What is Baby & Me, Tobacco Free?

Baby & Me, Tobacco Free is a nationally recognized, proven program offered by the MHP Maternity Department to help expectant moms stop smoking and to stay nonsmokers. For up to the first eight months of pregnancy, a smoking mom-to-be receives counseling and education to help her stop smoking. Starting in the ninth month and for one year after, every month that she tests free of carbon monoxide, she receives a \$25 voucher for diapers. One other person in the household who tests free also receives a voucher.

A baby goes through about ten diapers a day. This means that, ten times a day, when a mom changes her baby's diaper, she receives positive reinforcement and knows, "My sacrifice is worth it. I'm taking good care of my baby."

By raising \$2,050, our team of fundraisers provided this positive reinforcement 8,200 times. They really are heroes!

# THE MAJOR WOMEN'S ALLIANCE

Founded in December, 2016, the Major Women's Alliance is a dues paying group of the MHP Foundation. Each year they vote on ways to use their dues to help make *"the MHP difference"* for our patients.

Their projects include an oncology support bag for each oncology patient, a cardio pulmonary gym bag for each rehab patient in that department, a Christmas stocking for each baby born at MHP during the month of December, and stocking comfort carts for oncology patients and their families.
