

2017

ANNUAL REPORT

MAJOR FOUNDATION 

It has been my honor this past year to serve as Board Chair of the Major Hospital Foundation Board of Directors, and I am excited to share our past year's activities with you.

With the move to the new MHP Medical Center on January 22, 2017, the Foundation has pursued both new ventures and what have become our traditions. Regardless, the community we serve has responded generously and enthusiastically, and we are so grateful that the efforts of our volunteer development council, board of directors, and staff have not gone unnoticed. We look forward to continuing to support quality, accessible healthcare for our community.

Your participation and charitable contributions to the Major Hospital Foundation help provide quality, accessible healthcare at a good value for our entire community. What an impact you have helped us make! On behalf of MHP and the Major Hospital Foundation, please accept our sincere thanks.

Betsy Crandall, D.D.S.

Board Chair, Major Hospital Foundation

OUR MISSION:

The Major Hospital Foundation's mission is to support Major Hospital and our patients by helping to finance purchases of technology, medical equipment and facilities as well as providing funding for patient support and health education for community and staff.

Financial Support from the Foundation to MHP and Our Patients:

- \$7,191: for small healthcare related items to help patients transition successfully from hospital to home.
- \$3,113: to provide short term RX Assistance so that qualifying patients can avoid unnecessary hospital stays, declining health, and reduced quality of life.
- \$4,627: to help oncology patients with day to day living expenses.
- \$8,000: Baby & Me, Tobacco Free, an incentive-based program to help expecting moms stop smoking during pregnancy and to stay "a quitter" after the baby is born. Dads can also participate and become ex-smokers.
- \$100,000 from the Lucille McCorkle Fund for the MHP Oncology Center to help support the construction of a new the new linear accelerator and vault project.
- \$400,000: The Foundation made the second installment on a 5-year commitment of \$4,000,000 to support construction costs of the new MHP Medical Center

Everyday Heroes Save the Day!

During the last quarter of 2017, a group of fundraisers we call "Everyday Heroes" recruited friends and family to also become Everyday Heroes for patients in need of Prescription Assistance at MHP. Together, and with a challenge match from Boone County Emergency Medicine, they raised \$10,245. Way to go, Heroes!

HOW THE RX ASSIST PROGRAM WORKS:

- At-risk patients are connected with an MHP Case Manager.
- The case manager reviews options for accessing the necessary prescriptions with the patient, and the RX Assist Program is one such option.
- The program is designed for short-term assistance.
- Case managers search out long-term, stable assistance for the patient when necessary, usually through pharmaceutical companies' assistance programs.
- A pharmaceutical company's application process for assistance can take up to six weeks, during which time the patient may be without essential medication.
- The RX Assist Program provides a bridge for patients during that six-week period.

Average Cost per Prescription

Case Managers strive for the best value for the RX Assist Program by finding the best price, encouraging generics, and encouraging less expensive drugs that are still effective.

The best outcome for the patient is first priority, but smart spending is always a consideration.

Average Amount Spent per Patient

RX Assist Program history indicates that patients generally need more than one prescription to complete their recovery or to manage a chronic disease.

Amount Raised by our Everyday Heroes

We're so proud of them, and grateful, too!

Number of Patients Helped

Our Everyday Heroes will help about 100 patients avoid unnecessary hospital stays, declining health, and a reduced quality of life by making sure that they have essential medications.

Planned Giving: The Major Legacy Society

The Major Legacy Society is recognition vehicle for those who make planned gifts to the Major Hospital Foundation.

Planned Giving Committee: Brent Thoman, chair; Brady Claxton; Susan Furgeson; Ralph Mercuri; Jeff Rumsey; Eric Glasco; Linda West; Beau Browning; Jody Butts. The role of the planned giving committee is to conduct life planning workshops and presentations as well as to encourage people to make planned gifts to the Major Hospital Foundation.

The terms of the Raymond E. Compton Fund state that income "shall be applied to the expenses of that part of said hospital as shall be incurred by any and all charity patients of said hospital and for no other purpose."

\$50,000 was set aside in 2017 to help patients who are unable to make their insurance premiums and/ or to pay for medications.

The terms of the Marian McFadden Fund state that income from the fund "shall be used for specific projects or improvements so designated by the Foundation." Since Marian McFadden's gift in 1975, many pieces of vital equipment have been purchased using income from her fund. We think she would be proud of her role in MHP's reputation for cutting-edge technology and equipment in central Indiana.

No grants were made in 2017.

Planned Giving: The Major Legacy Society

Lucille McCorkle specified that her gift be divided equally between funds for the treatment and research of cancer at the MHP Oncology Center and for the treatment and research of cardiology at MHP Cardiology Center. The funds are endowed.

During 2017, the fund gave \$5,500 to the Major Women's Alliance to help fund the support bags they make for oncology patients and cardiac rehab patients at MHP.

Also during 2017, the Lucille McCorkle Fund for the MHP Oncology Center granted \$100,000 to help support the new linear accelerator and vault project at the oncology center.

MHP and the Major Hospital Foundation wish to thank the late Jacquelyn "Jackie" Joseph for the gift she made in her estate to the Major Hospital Foundation. A portion of that gift was used to create the time capsule display located in the main concourse of the MHP Medical Center. The following biography was written by Jackie's dear friend, Debbie (Schapiro) Stieglitz.

"Jacquelyn 'Jackie' Joseph was born July 24, 1921 in Chicago, Illinois. She was the daughter of Henry and Johanna "Honey" Karpen Joseph. Her sister was Mary Epstein, and she had a brother-in-law, Edward Lee Epstein. Mary and Edward have both passed.

"Jackie graduated from Tudor Hall High School (now known as Park Tudor) in Indianapolis in 1940. She received an associate's degree from Indiana University. She was a landscape consultant for Eagle Creek Nursery where she created landscaping designs for over 50 years. She retired in 2004.

"She enjoyed gardening and had many plants in and around her home. She was also an avid reader and collected many trivets, dishes, keepsakes, and other antiques. She loved all animals, especially her poodles.

Biography of Jacquelyn 'Jackie' Joseph, con't.

“Jackie enjoyed her summers in Michigan at their summer cottage where she would go fishing on Crooked Lake from sunrise to sunset. Her family and friends always gathered in the evenings for dinners and spirits!

“As she aged she never slowed down until around the age of 93. She was going to Major Hospital for various ailments more and more often. She lived behind the hospital on Mechanic Street in the same home for her entire life. Everyone at Major Hospital was extremely good to Jackie. She really liked her physician, Dr. Chris Vieira. He took care of her and my daughter Nicole Neisler was her nurse. She would check on Jackie many times on her way home from work. Jackie was blessed by many people at Major Hospital, and she could always count on quality care from the nurses and doctors that treated her.

“Jackie was my best friend. I was very lucky to have been her friend. She taught me a lot about life and living life to the fullest. I feel blessed to have been a part of her life when she needed it most. She taught me that, ‘The most important things aren’t things!’”

Judy Runnebohm

Charles and Betty Sanders

Suzanne Smith

Anthony "Chip" Snyder

Robert Snyder

Lyman Thoman

Suzanne and Arthur Thurston

Richard E. Wells

Betty Williams

Jay Wortman

Sue Wortman

Board of Directors

Board members are responsible for the continuing growth and integrity of the Major Hospital Foundation. They accomplish this through setting policy, providing oversight, and strategic planning.

Each July, the Major Hospital Foundation says "good-bye" to faithful board members whose terms have expired and "welcome" to new board members. Those leaving the board in 2017 were Dr. Ty Montgomery and Aaron Haehl. The Foundation thanks them for their kind service and wise governance over the years. We are happy to welcome Denny Frey, Mary Jo Custer, and Brent Thoman to the board.

2017 Board of Directors

Betsy Crandall, D.D.S., President

Audra Caldwell, Vice President

Ralph Mercuri, Treasurer

Sally Vaught, Secretary

Brent Thoman

Jack Horner

Gene Jones

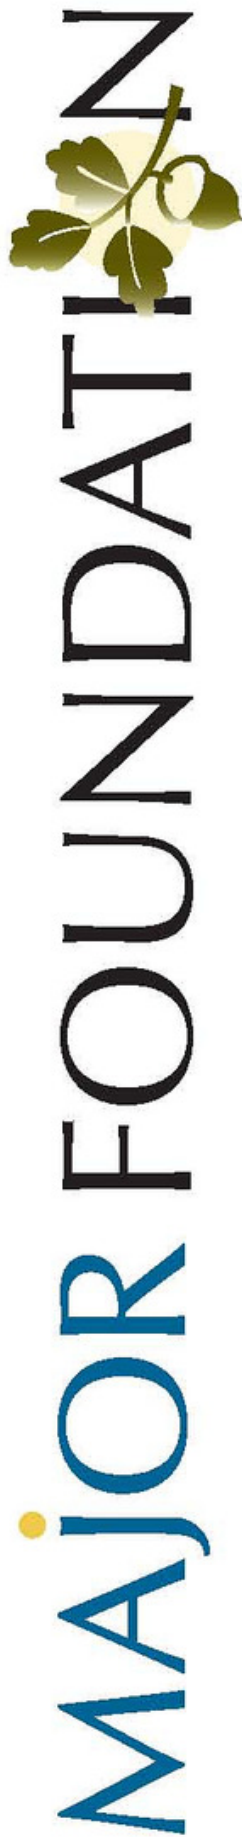

Mary Jo Custer

Denny Frey

Janie Schuster

Ty Montgomery, M.D.

Aaron Haehl
