

MHP FOUNDATION ANNUAL REPORT

2020

GRATITUDE

A Special Message from our Executive Director

2020....WOW....what a year! Where to begin?

Let's start with gratitude. Yes, we're feeling it!

According to the Harvard Medical School, looking for things you are grateful for, or good old-fashioned counting your blessings, is a way to lift your spirits when you're feeling sad or overwhelmed, and not much during 2020 was sadder or more overwhelming than COVID-19.

Even here at MHP, where many of us didn't think it would happen, our staff was pushed to their limits. In the early days, they were caring for people with a disease never seen before and that had no established treatment or cure. They had to plan for the possibility of a true healthcare disaster with sick patients on cots lining the hallways, not enough personal protection equipment, and the very real threat that so many staff would become sick that there would not be enough workers to care for everyone. The stuff of horror movies!

But, throughout it all, we felt so much gratitude to our community and our donors, and it got us through--through the toughest time any of us have seen in our hospital careers.

In spite of the uncertainty that came with COVID-19, our donors did not stop giving, and gave even more financially during 2020 than during 2019. In addition, we saw an outpouring of support for our staff in donated meals, donated personal protection equipment, the sewing of masks and caps, drive through events, and notes of appreciation. It's our hope that all that our community and donors did for us meant as much to them as it meant to all of us at MHP. Thank you for caring for us while we worked to care for you. We are so very, very grateful!

“

DEAR SUPPORTERS:

I had never imagined that my first term as Board President for the MHP Foundation would come at such a challenging moment for healthcare. A global pandemic neither stopped us from continuing our mission nor deterred you from supporting it. The community response was humbling, and I am so grateful that the efforts of MHP staff and the Foundation's volunteer leadership have not gone unnoticed.

Virtual became the new normal, and I am proud of the Foundation staff for quickly adapting to this format. Annual events that were once in person swiftly became a successful Zoom meeting. Your participation, even in a digital format, was appreciated deeply.

Beyond COVID-19 relief, your participation and charitable contributions to the MHP Foundation continue to help provide quality, accessible healthcare for the entire community. Our giving group members remained strong supporters during crisis. Recognition of MHP staff members through our Major Angel program flourished – and rightfully so.

On behalf of MHP and the MHP Foundation, please accept our sincere gratitude for making 2020 a successful year against all odds.

2020

Our mission is to support the MHP Medical Center/Major Hospital and our patients by helping finance the purchases of medical technology and equipment, capital projects, patient support and assistance, and education for our staff and community.

A major factor in the success of the MHP Foundation lies in our community volunteers who form our development council. This dedicated group is committed to establishing a culture of philanthropic support to the MHP Foundation in our community.

MAJOR ANGELS

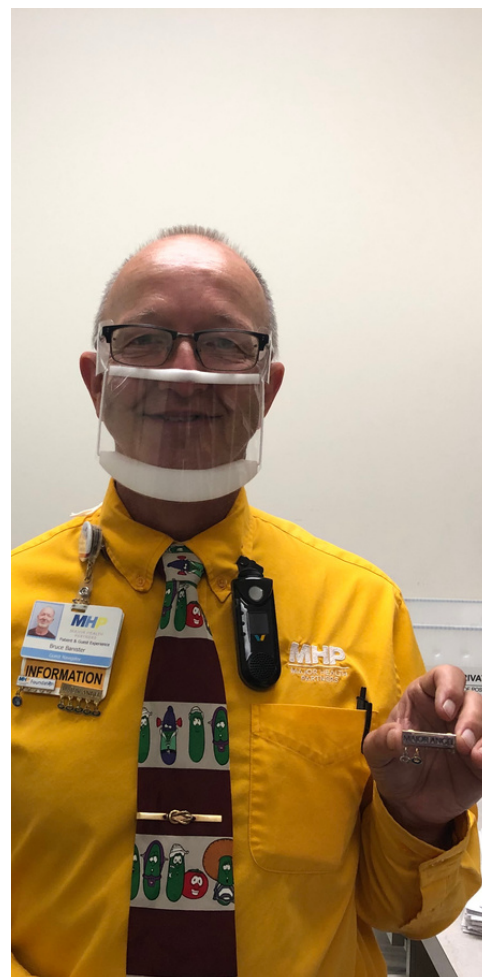

Each and every day, hundreds of patients utilize MHP for healthcare. Many times, a MHP employee stands out for showing benevolence, compassion, kindness, generosity, and/or professionalism.

The MHP Foundation offers patients a special way to recognize these employees and show them that their extra effort does not go unnoticed - the Major Angel program.

Around 21 days after a patient receives services at MHP, the MHP Foundation sends a personalized letter to these patients explaining the details of the Major Angel Program and how they can recognize the excellent work of MHP staff members.

Once a Major Angel contribution is received, the honoree will receive a personal letter with a special message from the donor and a lapel pin that can be filled with a new halo each time a patient recognizes the outstanding care that employee provides.

Nothing means more to our employees than knowing their care made "*the Major Difference*" for a patient.

MAJOR LEGACY SOCIETY

The Major Legacy Society was created to recognize those who have included the MHP Foundation in their estate plans. This includes a bequest in a will, a gift annuity, a charitable remainder trust, a life insurance policy, or a retirement plan beneficiary designation.

When William S. Major chose to make the planned gift of his home to our community for use as a hospital, he helped to ensure a bright future for our community. Like Mr. Major, Major Legacy Society Members leave a legacy that will help Major Health Partners continue to provide world-class health services close to home.
