
 <b>A MAJOR HEALTH PARTNER</b>	Nurse Practitioners, Physician Assistants, and Psychologists Employed by MHP to Provide Only Off-Site Outpatient Services.
Nurse Practitioners, Physician Assistants, and Psychologists Employed by MHP to Provide Only Off-Site Outpatient Services. SPP: MS-13 Cancels: None Latest Revision or Review: 05/23/16	Formulated by: Administration Approved by: Date Approved: Effective Date:

**PURPOSE:**     **To establish process for Nurse Practitioners, Physician Assistants and Psychologists who are employed by MHP and provide services at MHP affiliated outpatient facilities.**

**GUIDELINE STATEMENTS:**

- 1. Determine the need to apply for non-physician practitioner membership at Major Hospital.**
  - 1.1. A nurse practitioner, physician assistant or psychologist who performs either of the following must apply for staff membership and the appropriate specified services/privileges.
    - 1.1.1. Provides services to patients while physically present at Major Hospital and/or bill for services under the hospital's TIN.
    - 1.1.2. Orders any hospital services other than those allowed under SPP: MS-20.
- 2. For the practitioners who do not require Major Hospital staff membership:**
  - 2.1. The Human Resources Department shall maintain all documentation as required for employment.
  - 2.2. Patient Financial Services will maintain all records required for billing.
  - 2.3. Health Information Department or the Medical Staff Office shall maintain the MIS provider dictionary in Meditech.
  - 2.4. The Medical Staff Office shall maintain:
    - 2.4.1. Copy of collaboration agreement for nurse practitioners or the supervisory agreement for physician assistants.
    - 2.4.2. Current Indiana license(s).
    - 2.3.3. Current Indiana Controlled Substance Certificate, if provider has prescriptive authority.
    - 2.3.4. Current Federal DEA Certificate, if provide has prescriptive authority.
    - 2.3.5. Current proof of professional liability insurance with participation in the Indiana Patient Compensation Fund.
    - 2.3.6. Current certification to the appropriate certification board if applicable
    - 2.3.7. National Practitioner Data Bank query.
    - 2.3.8. OIG query.
- 3. It is the responsibility of the nurse practitioner, physician assistant or psychologist to provide:**
  - 3.1. Documentation in an accurate and timely manner, as requested from Human Resources, Patient Financial Services, the Medical Staff Office, supervisor, or collaborating / supervising physician to maintain compliance with all regulatory, accreditation and billing organizations.
  - 3.2. Maintain current and accurate collaborative agreements with the Indiana State Board of Nursing for nurse practitioners or supervisory agreements with the Indiana State Board of Medicine for physician assistants.
